Smart Choice[®] Adds New Territory Manager in Ohio

High Point, N.C. (July 8, 2015) – The Smart Choice[®] Agents Program welcomes Michael Krueger as a Territory Manager in Ohio. Krueger has been in the insurance industry for 15 years focusing on life, long term care, health, and disability insurance. Before beginning with Smart Choice[®], Krueger was a financial planner for a financial services company in Cleveland, OH. He then sold his portion of the business and several years ago, Krueger shifted his focus to property and casualty insurance by starting his own P&C agency.

“What excites me most about Smart Choice[®] is two-fold,” said Krueger. “The opportunities that Smart Choice[®] have created for new and existing agents to compete in this business are great along with giving agents access to tools to operate quickly and efficiently. Smart Choice[®] has also provided me the chance to help independent agents and agencies grow their businesses through all that Smart Choice[®] has to offer.”

Smart Choice[®] offers a wide range of products and services to its partner agencies, including access to personal, commercial and life markets, in addition to business builder and business saver products. Currently serving over 4,200 agents in 45 states, Smart Choice[®] is partnered with over 80 nationwide and local carriers.

The Smart Choice[®] Agents Program is a wholly-owned program of Worldwide Insurance Network, Inc. (WIN), headquartered in High Point, North Carolina. Since its founding in 1994, Smart Choice has grown to serve over 4,200 agents in 45 states. For more information, visit www.smartchoiceagents.com.
