Smart Choice[®] Hits Record-Setting New Agent Totals in 2015

HIGH POINT, N.C. (August 10, 2015) – The Smart Choice[®] Agents Program added 438 new agency partners during the first half of 2015, shattering old records and putting the organization on track to have its largest year of agency growth in history.

2014 was, to-date, the company's biggest year on record for agency partner growth, with the addition of over 637 agency partners. However if the momentum of new agency sign-ups in 2015 continues, Smart Choice[®] will likely see the addition of well over 800 new agencies by year end. "This kind of growth is extremely encouraging, and shows us that we're headed in the right direction with regards to our product offerings and in how we meet the needs of our agent partners," said Andrew Caldwell, President. "We have great staff, sales people and carrier partners working together diligently every single day to make sure all of the right pieces come together in the end to serve our customers."

Notably, Smart Choice[®] added more agents last year than any other managing agent group in the industry. The program offers a wide range of products and services to its partner agencies, including access to personal, commercial and life markets, in addition to business builder and business saver products. Currently serving over 4,300 agents in 44 states, Smart Choice[®] has partnered with over 80 nationwide and local carriers.

The Smart Choice[®] Agents Program is a wholly-owned program of Worldwide Insurance Network, Inc. (WIN), headquartered in High Point, North Carolina. Other divisions of WIN are the Smart Choice[®] Franchise Corporation, provider of Smart Choice[®] Insurance Centers. For more information, visit www.smartchoiceagents.com.
